Marellbar Farm's Shorthorn Auction

To be held at the farm, Tuesday, June 6, 1944. Featuring sons and daughters of Klaymor Footprint and heifers carrying his service.

We are selling all of our 1943 crop of calves by Klaymor Footprint. None have been culled, none held back: ample proof that Klaymor Footprint is truly a sire of superior excellence. We believe that this is the best and most uniform lot of calves by one sire ever placed in one auction. We shall sell six grand bull calves and twelve outstanding heifers by Klaymor Footprint. All are solid dark reds but two and they are dark red roans. They are so uniform that it will be difficult for anyone to pick the best or the top of either the bulls or the females.

We believe that Klaymor Footprint will become as famous as his illustrious sire, Collynie Royal Barrage (Imp.) and his very popular full brother, Klaymor Footprint now in service in the Klaymor herd.

Included in the offering are several daughters of Klaymor Cap-A-Pie, also by Collynie Royal Barrage, calves of great merit. A number of heifers by sons of Collynie Royal Barrage are safely bred to Klaymor Footprint and six of the heifers are with calf by Newallyn Ian. They will be equally as valuable.

We believe that this offering of cattle is most attractive and that their pedigrees are as popular and useful as ever were presented in one Shorthorn sale. All of the bred heifers are well along with calf. Nearly all of the younger heifers were vaccinated for Bang's disease at four months of age.

Your catalog is our selling order. The cattle will be sold in the order in which they are cataloged. You can buy these animals with confidence knowing that any purchase that is not satisfactory will be adjusted promptly. That is "Marellbar's Guarantee".

Lunch and refreshments will be served promptly at twelve noon.

North Shore Electric trains from Chicago run once per hour to Edison Court Station, Waukegan, Illinois. Trains will be met if we are notified that you are coming and transportation will be furnished from and to Waukegan.

Reservations for hotel accommodations in Waukegan and Chicago will be made for you if notice, in advance, is sent to Miss Thomas, Secretary, Marellbar Farm.

To Profit Most — Buy Now

The principal feature of Marellbar's annual sale will be the sale of one entire year's crop of calves by the popular sire Klaymor Footprint. Seldom in the history of the breed has the get of a sire shown such uniform excellence as is displayed in his get. The pleasing character and exemplary type of these fine young Short-horns, combined with their extraordinary uniformity give undisputable evidence that each one will breed true to type and like himself or herself.

All of the bulls and twelve heifers in the sale are the get of Klaymor Footprint and eight females were sired by Klaymor Cap-A-Pie, another impressive son of the famous Collynie Royal Barrage (Imp.). Thus this uniformity is carried out throughout the entire offering.

The heifers that are not sired by Klaymor Footprint or Klaymor Cap-A-Pie include others by sons of Collynie Royal Barrage and some grand heifers that were selected because of their close adherence to the type, character and quality of these fine daughters of Marellbar's great sires.

In addition to all of this, a study of this catalog will disclose that there are two heifers with their first calves at foot, both of which are by Klaymor Footprint. There are eleven heifers that have good long service dates by Klaymor Footprint and there are six more safely with calf by that outstanding young bull Newallyn Ian that now is the junior herd bull at Marellbar.

Here is an opportunity to buy the progeny of a bull that is destined to become known as one of America's greatest sires and to get the service of a younger bull that promises to become another of the Country's truly great bulls. Buy this year because, as these bulls become better known, their offspring will command prices equal to the extreme top for the breed.

WILL JOHNSON.

NEWALLYN IAN—

is a young bull that we acquired recently as an associate with Klaymor Footprint. We are convinced that he is the right bull for that purpose. He has a great head, ideal modern type and rare quality. He is extremely wide, deep, short coupled and short legged, with good strong bone and his pedigree shows him to be descended very closely from Scotland's greatest sires. Study this bull because six heifers in the sale are with calf by him.

KLAYMOR CAP-A-PIE—

was a bull of good type and had real quality and was a most successful sire in this herd. His calves, bulls and females, won exceptionally high honors when shown and have made grand records as breeding cattle in this herd and in other herds into which they have gone. His get are uniformly good headed, of most desirable type, smooth, level and well balanced, and are of the thick fleshed, early maturing kind. Several of his daughters will be found in this sale offering.

MARELLBAR FOOTPRINTER—

is one of the best bulls that will be sold this year. He is thick and deep, very short legged, has a perfect top and is excellent in the tailhead. He is the oldest of the sons of Footprint and he is very much like his sire was at the same age. His dam, Lovely Gwendoline, was one of the very best cows of the breed and produced the International second prize calf, Sultan of Marellbar, that we sold to head the good herd of Countryman & Son at Rochelle, Illinois, and that is making a great record as a sire in that herd. Her picture with Marellbar Footprinter as a very young calf will be found opposite to the pedigree of Lot 6 in this catalog.

MARELLBAR FOOTLIGHT—

is a dark red roan that is a natural show calf, perfectly molded and smooth as can be. He has few faults, if any. From the day he was dropped he has been a model of perfection. He will be a valuable bull in any herd because he is the kind that breeders go back to look at time and again. He just suits. His dam, Edellyn Golden Drop, by the International grand champion Sultan Browndale, was the top heifer of the 1938 Edellyn sale. She produced the famous "Mercury twins" and she produced an International first prize winning heifer and this calf is her best.

What an interesting pedigree this will make in the new tabulated form. Certainly there will not be a richer bred calf than this one and no better calf sold anywhere this year. is a thick, full son of Klaymor Footprint. Deep, thick, blocky, with a good head, excellent hind quarters and perfect balance. He has been much favored by many critical breeders who have visited the farm. He has a right to be good as the first four sires in his pedigree are all great bulls and all are direct descendants of the famous Rosehaugh Mandarin. His dam is a dark roan of just the type that you would like for the dam of your herd bull, and she is one of our valuable herd cows. This grand calf will make a great breeding bull.

MARELLBAR PREMIER—

is a rich dark red as is his sire and dam. He is a calf with lots of bone, is low set and has a great set of legs. His sire, Klaymor Footprint, has the best set hind legs I have ever seen on a bull. This calf, in fact all the calves by Klaymor Footprint, are put up that way. His dam is a very choice young cow, of the Zoe Clipper family, and is full of the choicest breeding lines in Scotland. This is an outstanding calf and will make a great herd bull. Buy this bull if you would like to see your next crop of calves all solid reds and of the most favored type.

MARELLBAR CHALLENGER—

is the youngest calf in the sale but by no means the least desirable. His dam is by Calrossie Mercury and is a grand young cow. It will be noted in this pedigree that the granddam of Klaymor Footprint and the granddam of Calrossie Mercury was Calrossie Augusta Polly by Collynie Royal Leader. The granddam of Marellbar Challenger is Lovely Gwendoline, one of the truly great cows of the Shorthorn breed. She is the dam also of Marellbar Footprinter, Lot 1 in this catalog, and in the picture she is shown with that bull when a two or three day old calf. You are sure to have an impressive sire if you buy this bull.

ROSEBUD OF MARELLBAR 2d—

is in my opinion the best junior yearling heifer to be sold this year. She has everything—color, breeding, type, conformation, style and quality. If it were not for the fact that we are selling our entire 1943 crop of Footprint calves as proof that we have one of the leading sires of all times, there would be no price on this heifer. Her dam is the pride of Marellbar, now has her second calf. She raised this heifer without the keep of an extra cow. She is the profitable kind by the Merryvale Farms' famous Perth Supreme Champion Calrossie Prince Peter, a combination of great sires.

the stall mate of Lot 7, is so much like her mate it is difficult to tell them apart. As calves they were like two peas in a pod, they are still that way. Cluny Primrose 24th also is red and her dam Cluny Primrose 13th is one of the most valued breeding cows in the Cluny heard. She is the dam of Cluny Chancellor Command, reserve champion at Perth in 1938 when he sold for 2100 guineas. This is one of the best. She is qualified to go in any herd. Her dam now has her fourth calf. They have all been very good and all red in color.

is also a dark rich red and is about as perfect a 1944 model as you could wish for. She is thick, low down, with a great spring of rib, grand head, smooth and level as can be made. There isn't any better heifer going through an auction anywhere. Her dam is dark roan also, very thick and low and a great breeding cow. Study her pedigree. This is a rare combination of Collynie Royal Barrage breeding and a very rare heifer.

is a very dark roan out of one of our very valuable breeding cows. She is a real show heifer and one of the best. The first daughter of Divide Starlight 61st was sold to Mr. Thorp Metz at Williams-ville, Ill.; and a real choice heifer, her third, a red bull and a full brother to Marellbar Starlight 2d, is a very fine calf. This Gardenia family has produced a long list of prize winners for The Allen Cattle Company. is another good red yearling, just the kind and the age to buy for crossing with your own herd sire. Her dam is also red and a great breeding cow. She now has a full sister, also red and a good one. Were it not for the fact that this calf had been very lame from a bad foot, she would be one of the tops. She will make a valuable breeding cow as she has a beautiful Rosewood pedigree and is a great heifer. Note that she has two crosses of the famous Rosehaugh Mandarin in her pedigree.

MARELLBAR AUGUSTA 68th—

is a fine, red heifer calf out of one of our most valued Cluny Augusta cows. We are very reluctant to part with this heifer as she is the kind that you cannot replace. You seldom have the opportunity to buy breeding like this, in fact very few herds have pedigrees of this kind. Cluny Augusta 64th was imported at a very high price. She is a very thick, low down cow, dark red, carries a grand udder, is a great mother and one of the best of the breed. She has produced three red heifers in a row for us and will calve again in July. Her first heifer is the dam of Marellbar Augusta 67th, lot 13 in this sale. You can go the limit on this heifer.

A dark red roan, exceptionally thick and low-set, with a wonderful head, smooth and level as can be, a real show heifer. Her dam is a very thick fleshed cow and has been a great breeding matron. She was the top heifer of the Geishecker Bros. dispersion sale. Marellbar Lustre Queen 6th has a full sister in Mr. Bame's herd in Cincinnati. She sold for \$500 as a calf. This heifer will look good with the best.

15th—

A dark roan by Klaymor Cap-A-Pie out of Cluny Victoria 13th, a wonderful red cow that is one of our best producing imported cows. This heifer is ample proof that her dam is a breeding cow; further proof is Marellbar Obligation her son by Klaymor Footprint, Lot No. 3 in this sale. This is probably the most valuable heifer in the entire sale. She is in calf since Jan. 24th to Klaymor Footprint. A show heifer of the richest breeding. It doesn't make much difference what a heifer like this costs—they pay off in rich rewards.

IMPERIAL LAVENDER

8th—

is a very thick, low-set heifer by Leveldale Manifest. She is the good doing kind and will make a great brood cow. She is safe in calf since December 11th to Klaymor Footprint. This is a valuable Lavender pedigree containing many great sires. We would like to have an option on the calf that this heifer is carrying because we are sure it will be outstanding.
